BALANCE: \_\_\_\_\_

THE PURCHASER AGREES TO THE FOLLOWING CONDITIONS OF SALE:

1- Kitten/cat is not allowed outdoors, this is an indoor pet only.

2- This kitten/cat is being purchased for Pet Show Breeding

3- If the kitten/cat is being purchased as a pet, the purchaser agrees to neuter or spay the kitten between the age of 6 months to a 1 year per contract. CFA papers are not given until verification from vet of altering is sent to seller. If kitten is being purchased as a Show cat, this does not promise that it will be a champion kitten/cat, just that it has the qualities of a Show kitten/cat. If the kitten/cat is purchased as a Show cat, and you want breeding rights, this is an extra fee. If the kitten/cat is purchased for Breeding, the kitten comes with CFA papers and pin to breed. This kitten/cat must be bred within CFA regulations, and no interbreeding.

4- If the kitten/cat is taken to the vet within 7 days of purchase, and any congenital defects are discovered as a result of the examination, the seller agrees to take the kitten/cat back and another kitten will be given in exchange. The new kitten will be as close to the same kitten in color and sex as possible, but with no guarantee. This contract does not include paying for any vet bills, as a result of test taken or medication given. This health guarantee does not include colds, or fungus infections,, or FIP, only congenital problems.

5- Persian/Himalayan kittens are easily stressed out, when moving to new homes. Keep kitten in a small room without a lot of noise for a few days until the kitten is adjusted to its new environment. Make sure you will be home for 2 to 3 days after picking up kitten to watch for any negative changes, such as sneezing, breathing heavy thru nose, or not eating. If this should happen purchaser is required to take the kitten to the vet within a few hours. Kittens get dehydrated within a few hours of not eating or drinking. Kitten will go home on a food provided. Don't make any changes to food for a couple weeks, then slowly change over to new food if necessary.
